

Project Management and Employers Agent for a refurbishment of Castle Wharf Offices, Nottingham

Client:	Charles Street Building
Location:	Canal Street, Nottingham
Size:	60,000 ft ²
Value:	£2.5m

Project Detail: Project management and client representative for a refurbishment of a previously tired and aged office space.

A contemporary office fit out gave our client a prestigious commercial office to rent out, demanding a premium price, due to the quality of the finished product.

The project was on behalf of a close client in which we have managed and constructed numerous projects for, both commercially and privately.
