

Project Management and Employers Agent of Four Warehouse developments at Thurmaston, Leicester

Client:	Charles Street Building
Location:	Westmoreland Avenue, Thurmaston
Size:	170,000 ft ²
Value:	£7.7m

Project Detail: Project management and client representative for 4 large warehouse developments including one with an adjoined commercial office.

Due to the vast size of the project a designed systematic programme managed all aspects of the development creating a succinct and efficient operation.

The project was on behalf of a close client in which we have managed and constructed numerous projects for, both commercially and privately.
