

Extension to existing property

Client: Private Client
Location: Rothley, Leicester
Size: 200 ft²
Value: £50,000

Project Detail: Large single storey extension with a 6m bi-folding aluminium door.

This project was won under a competitive tender and was awarded through Walters Architects in Leicester.

The project consisted on two frameless roof-lights, single-ply membrane roof and steels over 500kg in weight.

We worked within a live environment and ensured the property was separated from the building elements during the construction process.
